

**Sale Name:** Grainger Industrial Supply Return Auction

**LOT 195 - 50 Lbs Shop Rags**

**Description**

Cloth rags are used to clean up paint spills, to apply stains and varnishes, and for polishing or dusting. Since they can easily be discarded, they're ideal for messy jobs in commercial and industrial facilities. They come with ragged edges and variations in both color and cut, and they are made from new or reclaimed materials.

items cannot be shipped. Please pick up items during posted pick up times.
