

**Sale Name:** Grainger Industrial Supply Return Auction

**LOT 450 - Convex Security Mirror: Round, Acrylic, 36 in Dia, Hardboard, Indoor**

## Description

### Product Description

Round convex mirrors are mounted at intersections to provide 160° viewing angle around corners and intersections. Convex mirrors are a good choice for long-distance viewing and have higher magnification levels than dome mirrors

item cannot be shipped. Pick up during posted pick up hours
