

**Sale Name:** Grainger Industrial

**LOT 195 - 50 Lbs Shop Rags**

**Lot Location** Morrison

**Description**

Cloth rags are used to clean up paint spills, to apply stains and varnishes, and for polishing or dusting. Since they can easily be discarded, they're ideal for messy jobs in

commercial and industrial facilities. They come with ragged edges and variations in both color and cut, and they are made from new or reclaimed materials.
